

A Great Community to Call Home, Est. 1961

FOREST PINES CIVIC CLUB QUARTERLY NEWSLETTER | June 2023

# The Pine Leaf

## Be the Change You Want to See... In Forest Pines

All neighborhoods share a common vision to create a safe and thriving community for all. **Many Forest Pines residents voice concerns and aspirations on our Facebook page but posting is not enough to drive change.** Many great ideas are voiced, however, for these ideas to blossom into reality, it is crucial for residents to become active members of the Forest Pines Civic Club.

### Transforming Ideas into Reality

The power of change lies not only in the collective voices but also in the financial resources required to implement improvements. While discussions on social media are essential for generating ideas, being an active member of the Civic Club provides an avenue for turning those ideas into reality.

**Membership costs only \$25 a year, a small price to pay for the impact it can have on the community.** Read the full blog post on our website at [www.ForestPinesCC.com/Be-The-Change](http://www.ForestPinesCC.com/Be-The-Change)

### Replacing Our Neighborhood Signs

We are currently fundraising to replace not only the demolished sign at the corner of Alabonson and 43rd, but also the 5 remaining signs, all with our new logo. Our fundraising goal is \$2,000, of which we have raised \$500. Thank you to all those who have donated so far! Please consider donating a few extra dollars help us meet our goal. Every dollar helps!

### Hurricane Season is Here, Be Prepared

Hurricane season is from June 1st - November 30th and it is important that we all keep an eye on the street gutters. It is important to keep them clear of trash and yard clippings, to avoid flooding. Please take action if you see a potential problem. Read more about preparing for hurricane season, on our website at [www.ForestPinesCC.com/Hurricane](http://www.ForestPinesCC.com/Hurricane)
